According to the old people childhood is the best part of life. They look back at their childhood and remember all the happy days, the jolly games, the fun they had at school, jokes they used to crack and different games they used to play. These days are filled with amazing memories. During childhood, people learn to have faith in themselves and believe they can accomplish anything they set their minds to. One thing that makes childhood days so great is spending time with family members. Thus, it is

during childhood that the children learn to co-operate, socialize and understand each other which nurture them to grow into noble human beings.

Questions:

- (A) Why is childhood the best part of life?
- (B) How do children enjoy themselves?
- (C) What do children learn during their childhood days?
- (D) What nurtures them to grow into noble human beings?

OR

Write a precis' of the following passage and give a suitable title:

Social Media plays a big role in our lives today. We can access 'any' kind of information we want with the help of Internet. Anything that is used so widely by people has both a positive and negative side to it. Many doctors believe that excess use of internet causes depression and anxiety in people. One must carefully weigh the pros and cons of this medium before engaging excessively with it.
