## Careers360 Ranking / Rating

Institutions that are promoted by the central/state or provincial Government or Careers360 shortlists over 5000 colleges across domains each year. Out of these colleges, only those colleges are rated/ranked which provide transparent data requested by Careers360. The cumulative scores of colleges are then calculated and they are divided into clusters as per their scores. Careers360 ranks private and government colleges separately as the support system of both types of Institutions is completely different.
